

1. Yaha services ke top pe makeup bookings open wala banner lagega.

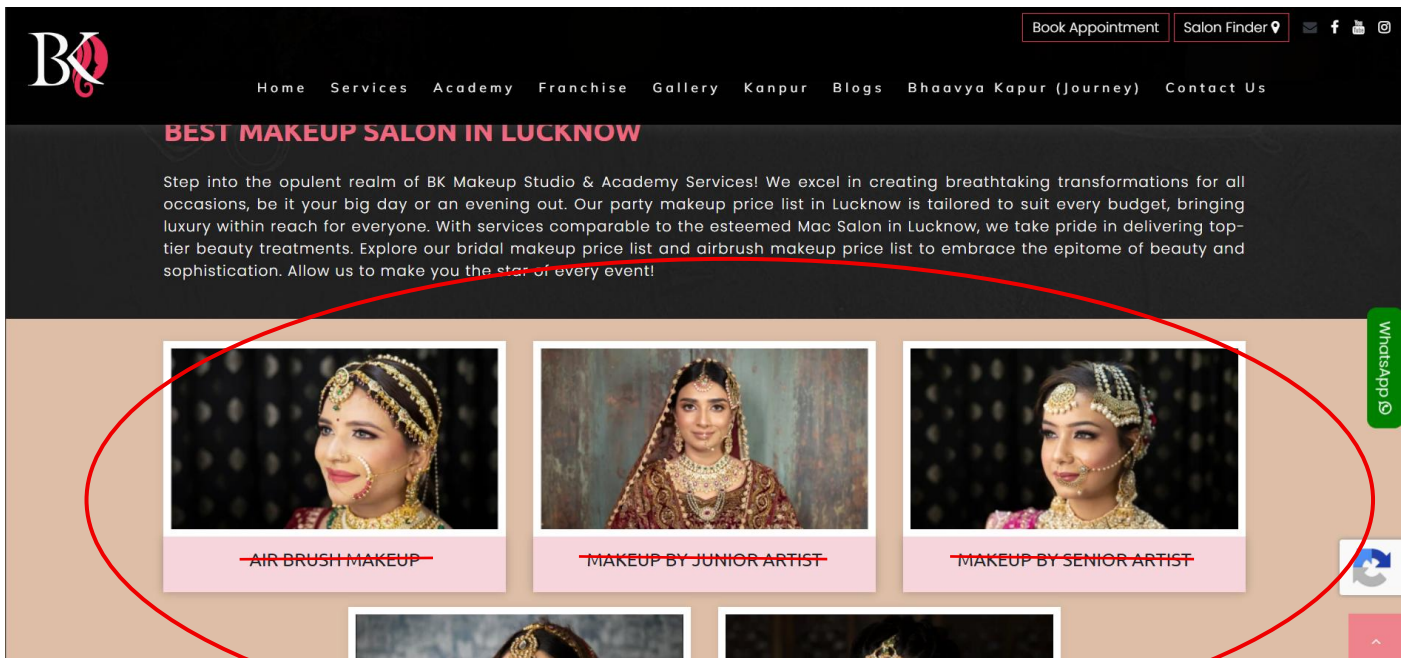

2. Banner ke just neeche ek paragraph likha hoga, same jaisa bhavya Kapoor ke website pe likha hua hai paragraph waisa hi, paragraph ka content tumko drive wali file me miljayega.... The file path is website>services and is folder ke andar har ek service ke liye ek different paragraph likha h usme screenshots hain just check it once. And agar issue ho kuch to puch lena.

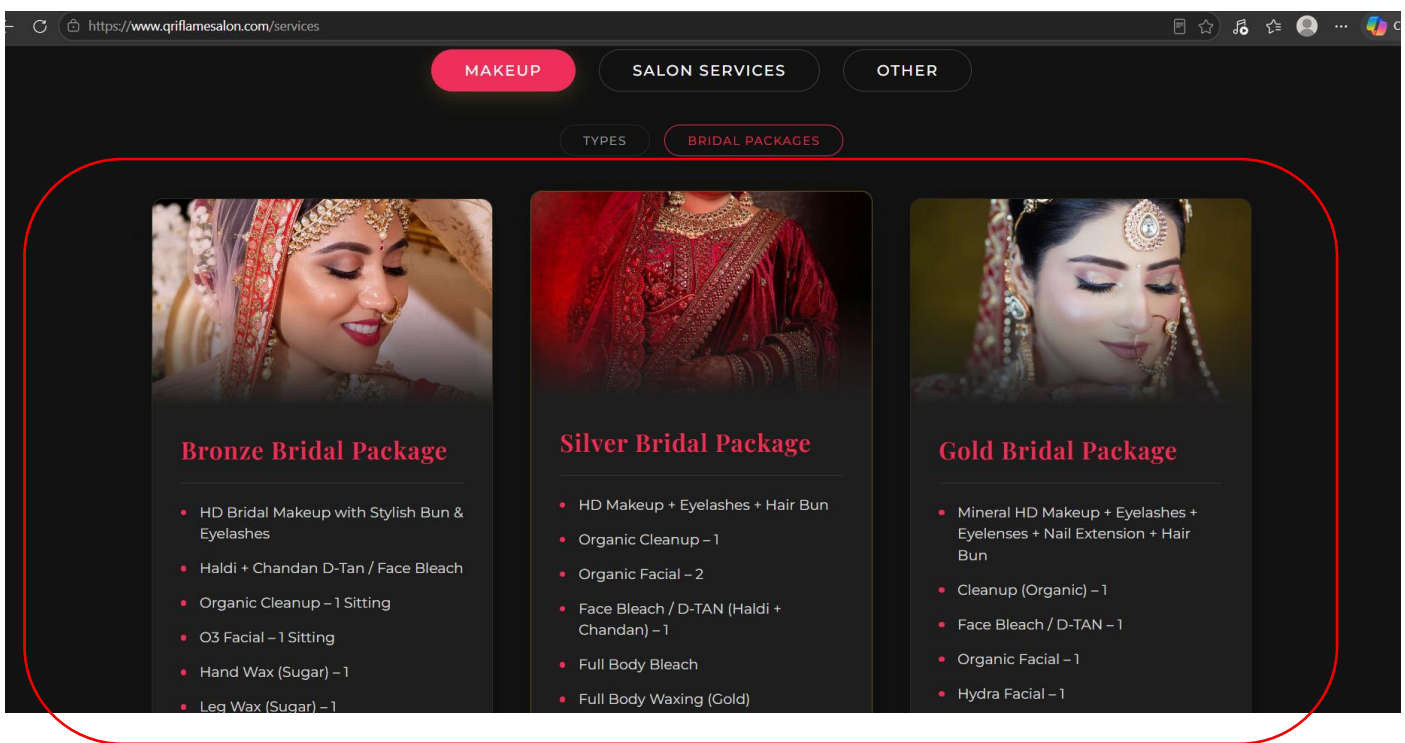

Same aise
hi humari
bhi website
pe likha
hoga
paragraph.

3. Jo paragraph hoga uske just neeche images honggi jo drive me us particular service se related photos honggi uske folder me, drive me uploaded hai wo sab. Check it. Neeche wale screenshot me jaise images lagi hui hai waise hi images laga dena as it is. Images ke neeche kuch likhne ki zaroorat nahi hai bass images jo hain us particular service wale folder me wo saari website pe laga dena us service k andar hi.

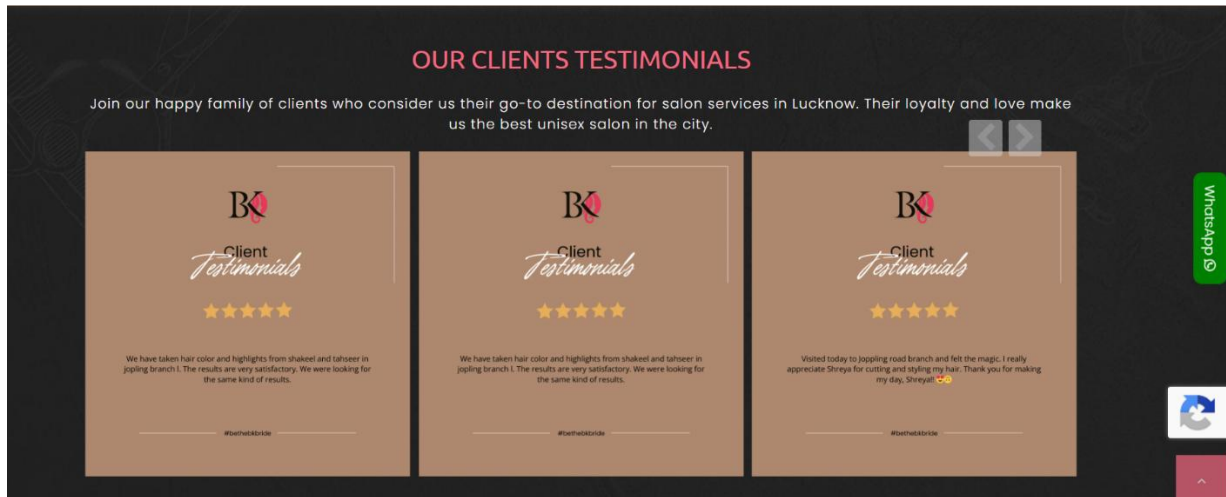

4. Uske baad in photos ke neeche fir our packages karke likh dena and fir jaise tum qriflame wali website pe packages lagaye ho waise laga dena

5. Packages and services ke neeche enquire now krke whatsapp emoji ke sath ek box bana dena ki uspe click krte hi user wtsp pe redirect hojaye and automatic ek message aajaye uske msg box me likh ke "hey I want more details on your bronze bridal package" and user ko bass send button dabana ho that's it.

6. Testimonials karke daal dena fir packages ke neeche jisme client testimonials rahe kam se kam 10 client testimonials.

7. FAQ services wale page se hata ke uska ek alag se section daal do menu bar me named FAQ us page pe saare frequently asked questions rahege along with answers, FAQ and Answers drive me uploaded hai it should be the same.

8. Yaha pe FAQ ka section dedo ek
